

## Comprehensive Bylaw Revision for the Town of Walpole

The following document provides the table of contents for the existing Zoning Bylaw and, where applicable, the reference for the corresponding section in the new draft. It is important to note that there are several proposed revisions that are completely new and, therefore, do not address specific sections of the existing Zoning Bylaw. These sections can be viewed as part of the text provided on the website, but will not be referenced in this table.
